Partner Discussion

The reality of the committee is not solely relying on Atlanticare or Shore Medical; the facts are that Healthcare Facilities are essential and should be present at our meetings. Rhonda L. will inquire about Bayada Nursing and long term facilities as they should be our target market. Alan B. adding that Medical Assistance applicants are few. There are openings in the offices more so than the hospitals and Shore Medical is in need of outpatient personnel. The urgent care centers employs Medical Assistance, Nurse Practitioners, Doctors, etc. According the Rhonda L. we will explore agencies that would like to become a part of this committee as well as inviting the same to our Oversight Committee. Alan B. asked that Bacharach be included as well.

For our next meeting Rhonda L. will contact Sherwood T. to see if the meeting can be held at ACCC, if not the meeting will be held at the One Stop Career Center located in Pleasantville NJ.
