Meeting Minutes

Rick L. opened the meeting with a welcome and asked members to approve the minutes from the last meeting. The meeting minutes were approved by Rhonda L.

Old Business- Due to the separation between Atlantic Co. and Cape May Co. there are openings on this committee. Bass Pro as well as South Jersey Industries are no longer members on this committee therefore we are in need of 3 members. Pat C. suggested that we contact someone from South Jersey Industries as we need someone from that entity to be on this committee, Rick L. agreed to contact the CFO. Rhonda L. stated that there is a request from the Boys/Girls Club to be a part of the committee and inquired if they were private sector and Rick L. stated yes they are. Rick also agreed to contact Michelle Omara in hopes that she agrees to be on this committee. Rhonda L. gave the ok to do so and added that anyone that expresses an interest in becoming a member must submit a resume; Rick L. asked that someone give him a contact for Bass Pro, Terri L. stated that she would contact them and get back to Rick L. with the outcome. Rick L. asked if he should solicit more than 3 new members and Rhonda L. response is that the requirement is 3 private sector however we do welcome more.

Eric R. asked if the Boys/Girls Club is private vs. public and Rhonda L. will inquire. Rick L. then asked any of the other callers if they are interested in becoming a member of this committee. Rhonda L. gave a description of this committee: during election time the membership committee reviews those individuals that are asking to join and or renew. She also added that the Board should be well represented from Atlantic Co. Pat C. referred/recommended that a representative from Agriculture (Blueberry Industry) become a part of this committee; she will get all of the necessary information and forward it to Rick L. and Rhonda L. Rick L suggested that we check with the Wineries, Eric R. added that we check with Tanger Outlets of which he will get the contact for them and Rhonda L. will inquire about a rep in Hammonton.
